

## TASSP Summer Workshop 2026: Phishing Alert for Exhibitors

### Important Information Regarding Scam Emails

Dear TASSP Summer Workshop Exhibitor,

We are reaching out to alert you to a phishing scam targeting our exhibitors for the 2026 TASSP Summer Workshop. Please be cautious if you receive any emails offering to sell you attendee lists, hotel rooms, or other products related to the event. These emails are fraudulent and should not be trusted.

### Important Reminders:

- You will receive the official attendee list at NO COST to you prior to the conference. Please do not pay for this information.
- Check the email address is from “tassp.org”. We are also contracted with Grit: “gritprod.com” for signage and production; “conferencedirect.com” for housing confirmations; and “american-tradeshow.com” for badges.
- The official TASSP hotel room block for the Workshop is listed on our website. Book in the TASSP block to receive our hotel best rates. [Summer Workshop Page](#)

If you are ever in doubt about an email or offer, please contact us directly:

- [melissa@tassp.org](mailto:melissa@tassp.org)

If possible, please forward us any suspicious emails you receive so we can investigate and help keep everyone safe.

Thank you for your attention and cooperation. We look forward to seeing you at the Workshop!

Sincerely,

The TASSP Team
